President's Message

Our Land Trust had a very good year financially and a moderately successful year in land securement. We acquired 3 new properties totaling about 450 acres and have three additional properties just over 400 acres about to close.

Other activities included the walk for the Moraine, The 10th Annual Charles Sauriol Dinner and several outreach activities.

My sincere thanks to the wonderful volunteers and our donors that make our land trust so successful.

Yours in Conservation, R.B. (Tom) Atkins
