PRESIDENT'S MESSAGE

PRESIDENT'S MESSAGE

In 2004, we secured an additional 420 acres of land bringing our total lands protected to 2,316 acres valued at over 5.3 million dollars. Four properties were protected through conservation easements in 2004. The Trust was elated to receive our first bequest in 2004 from Miss Beth Harper of King Township. Thanks to her generosity, Miss Harper's dream of creating a nature reserve on her property will become a reality in 2005.

As a non governmental charitable organization the Trust has had the support of many conservation minded private and public foundations, governments and individuals. We are grateful for the ongoing support of our donors. Their commitment to our work is essential to our success. In 2004 we were involved in many projects with our partner organizations, specific project funding came from the Oak Ridges Moraine Foundation, The Region of York, the Town of Whitchurch-Stouffville, and the Ontario Land Trust Alliance. Funding is also required to run the Trust program and in 2004 we received funding from the Trillium Foundation. Our Land Securement program received funding from EJLB Foundation and the McLean Foundation.

The TRCA and Conservation Foundation represent another of our successful partnerships. In 2004, the Trust once again was honored to co-host the 11th Charles Sauriol Dinner with the Toronto and Region Conservation Authority. This was our most successful year yet and brought in over \$78,000.00 for the protection of lands on the Moraine.

The Trust has many partners that assist in its mission, both formal and informal. We believe it will take the cumulative efforts of a number of conservation organizations working together to protect the Moraine. By sharing information, assisting other conservation groups and communicating our work to the conservation community duplication and wasted effort can be avoided and more land can be protected in perpetuity.

The Oak Ridges Moraine Land Trust has grown into a strong conservation organization since it began as a grassroots organization in 2000. Today as yesterday, volunteers are the heart of the Trust. The Trust Board and committee members are all volunteers, many devote over 100 hours per year into the Trust organization. None of our success would have been possible without their vision and dedication. Our volunteers, our donors, our staff and are partners are our strength and our future. Together, we will continue to protect the Moraine for future generations.

We say good bye to a number of dedicated and thoughtful Board members this year. Bill Salter, Mike Shackleford, Ted Warburton and David Hodgson are all leaving the Board. The Board has some new and old faces joining us this year, Don Prince is retiring as Chief Land Securement Officer but will be welcomed back as a Board member.

As I resign my position of President this year and take on the less active role of Past President I do so knowing the Trust is positioned well for the future. The Land Trust has a strong staff team in place with Susan Lloyd Swail as Executive Director, Robert Orland as Land Manager, Alan Stacey as Trail Securement Officer, and Dale Lubberts as Administrative Manager. With a strong Board, Executive Committee, volunteers and staff I have confidence with the direction of the Oak Ridges Moraine Land Trust.

FUNDRAISING

The 11th Annual Charles Sauriol Dinner was co-hosted by the Oak Ridges Moraine Land Trust and the Toronto and Region Conservation Authority.

The event recorded the best profits to date, \$78,000.00

LANDOWNERS

The success of our 2004 land securement activities is due to the generous donations of conservation easements from Paul Shepherd and family and the Worsley Forest Farms Ltd. in the Township of Uxbridge, as well as the Foulds family and an anonymous donor family in the Township of Scugog.

Discussions with other potential donors on properties in Caledon, King, Whitchurch-Stouffville, Aurora, Uxbridge, East Gwillimbury and Adjala-Tosorontio continue and we hope to be able to announce completion of these donations this time next year.

The ongoing assistance of Environment Canada and their staff working under the Eco-Gift Program is gratefully acknowledged.

The Land Trust moved *in 2004* to Seneca College King Campus, and now occupies an office in The Gatehouse located in the heart of the Moraine along with the Oak Ridges Moraine Foundation and The Oak Ridges Trail Association.

2005 CHARLES SAURIOL ENVIRONMENTAL DINNER

Great News!!! Ralph Nader will be the keynote speaker at the 12th annual dinner!

The Charles Sauriol Environmental Dinner is an annual event celebrating the great conservationist and visionary Charles Sauriol C.M. The dinner not only aims to raise funds to protect the Oak Ridges Moraine, but also to raise awareness of just how important conservation is. Every year brings a new and exciting keynote speaker with vision and passion to inspire the conservationist in all of us! This has enabled the The Oak Ridges Moraine Land Trust and The Conservation Foundation of Greater Toronto to save thousands of acres of land, ensuring that future generations will enjoy clean water, air, and the Moraine as we know it today.

REVIEW ENGAGEMENT REPORT

To the Board of Directors of the
Oak Ridges Moraine Land Trust

We have reviewed the statement of financial position of the OAK RIDGES MORAIN LAND TRUST as at December 31, 2004 and the statements of operations, changes in net assets and cash flows for the year then ended. Our review was made in accordance with Canadian generally accepted standards for review engagements and accordingly consisted primarily of enquiry, analytical procedures and discussion related to information supplied to us by the organization.

A review does not constitute an audit and consequently we do not express an audit opinion on these financial statements.

Based on our review, nothing has come to our attention that causes us to believe that these financial statements are not, in all material respects, in accordance with Canadian generally accepted accounting principles.
